

# -the Fordson Tractor

WE ARE PLEASED TO ANNOUNCE THAT WE HAVE SECURED THE DISTRIBUTION FOR THE FORDSON TRACTOR.

The FORDSON is a sturdy, dependable, well built tractor, built for every purpose, which has stood up remarkably well under the most trying tests by the Ford plant and also by the British Government. It is manufactured and distributed by the man who revolutionized the motor car industry, Henry Ford.

The first tractor will arrive in Corpus Christi shortly. Upon its arrival it will be placed upon display in our show rooms, where all who are interested may see and inspect it. In the near future, a demonstration will be given on

a farm, near the city, where the merits of the FORDSON will be shown by actual test.

It will be necessary for those who contemplate purchasing one of these splendid tractors to place their orders at once. Deliveries will be made only from October until February. There are but a certain number allotted—make your plans to get yours among the first. Either time or cash payments will be granted purchasers.

Bear in mind that the FORDSON is not an experiment. It has been tried out under the most abnormal exacting conditions and has proven itself a Ford product worthy of the Ford name.
